

Cherry Creek School District provides opportunities for Ice Hockey participation through Cherry Creek High School or Grandview High School. Please read through the information provided to determine the best situation for your player.

- Cherry Creek High School Program (CCH)
  - CCH will have 2 levels – Varsity and JV
  - If you are a CCH student, you may only tryout and/or play for CCH.
  
- Grandview High School Program (GHS)
  - GHS will offer JV only for the 2022-23 and 2023-24 School Years
  - GHS will begin to have Varsity level team in 2024-25
  - GHS students are eligible to try out for either the CCH Varsity or GHS JV hockey programs.
  - If GHS students try out for CCH Hockey, and do not make the Varsity team, you may still play for GHS JV (Must be grade level eligible, seniors may not play on JV).
  - A GHS student that does not make Varsity at CCH, may not play on the JV Team at CCH. They will have the option to play for GHS JV, or may decide not to play.
  
- All other CCSD High Schools (Cherokee Trail, Overland, Eaglecrest, Smoky Hill) and Out of District High Schools...
  - Students must choose to try out for either CCH Varsity/JV programs; or GHS JV Hockey.
  - If students do not make the Varsity or JV team at CCH, they are not eligible to play at GHS.

#### **Instructions for new ice hockey players who are not Cherry Creek HS students:**

If you are new to Cherry Creek HS hockey this year, and not a student at Cherry Creek HS, contact at CCHS Athletics Office via email or phone and provide the following information so that CCHS can input your information into the system directly: *First and last name, Student ID, birthdate, male/female, grade.* (Returning player info is already in the system.) Students outside of the district (CCSD Athlete Only students) must contact the District Admissions Office to receive an assigned District ID. Athlete Only students must re-register every year with the district. Contact the CCHS Athletic Office once you have the ID.
